

## **PRIVACY POLICY**

PRIVACY POLICY We value your privacy. SRIANDA we will only use personal information provided by you for the purposes for which it was collected. We ensure that your personal information will not be disclosed to other institutions / organisations.

Participants of yoga classes/programs are requested to fill out a registration form prior to commencement stating relevant injuries, illnesses and associated health factors which may affect their yoga practice.

We also use the data collected to send out, via email or post updates and information about our programs, services, classes etc. only if you requested to receive updates and information when you filled out your registration form, or if you verbally or in writing requested information to be sent to you.

Unless required by law or other regulation we will not release information to other institutions or authorities, or any other organisation.

You can contact Srianda's administration if you have any questions in relation to privacy matters, please Contact Us
